INDEPENDENT AUDITOR'S REPORT

To the Members of
The Pratap Spinning, Weaving & Manufacturing Company Limited

1. Report on Financial Statements

We have audited the accompanying Financial Statements of **The Pratap Spinning, Weaving & Manufacturing Company Limited** ('the Company') which comprise the Balance-sheet as at **31st March 2018** and the related Statement of Profit and Loss and the Cash Flow Statement for the year then ended and summary of Significant Accounting Policies and Other Explanatory Information.

2. Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation of financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

4. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2018, its **loss** and cash flows for the year ended on that.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

The annexure referred to in paragraph 5 (ii)(f) under heading "Report of the Other Legal and Regulatory Requirements" of our Report of even date to the Members of The Pratap Spinning, Weaving and Manufacturing Company Limited ('the Company').

6. Report on the Internal Financial Controls

We have audited the Internal Financial Controls over Financial Reporting of **The Pratap Spinning, Weaving and Manufacturing Company Limited** ('the Company') as of **31st March 2018** in conjunction with our audit of the financial statements of the Company for the year ended on that date.

7. Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

8. Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial control over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

9. Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

10. Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

11. Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at **31st March 2018**, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1.1 Corporate information of the Company

The Pratap Spinning Weaving and Manufacturing Company Limited (PMA) is a company incorporated and domiciled in India as a Joint Stock Company under the Companies Act, 1956 having its registered office in Amalner, Maharashtra. The Company became a subsidiary of Maharashtra State Textile Corporation Limited, wholly owned Government of Maharashtra undertaking in April, 1972.

The Company had preferred an Appeal No 88/96 before AAIFR against the order dated 08/04/1996 passed by BIFR in reference no 623/93 confirming its earlier opinion about the winding up of the Company. The AAIFR, under its order dated 11/04/2000 dismissed the appeal filed by the Company. The matter is pending with the Company Court of Bombay High Court, Mumbai for confirmation of the order of BIFR. Since the Company has no employees the Company as on date is not under preview of BIFR.

Due to unviable nature of the Mills managed by MSTC, the Government of Maharashtra in its Cabinet meeting held on 10/01/2001 decided to close all the Units and subsidiaries of MSTC including PMA by paying VRS as per Gujarat Pattern to its employees and workers and then wind up the MSTC.

With reference to the decision of Government of Maharashtra for closure of the MSTC and mills under its management, the company has closed down all the manufacturing activity and disposed off all plant and machinery and building structure and mill land in March 2002 and relieved all employees and workers of the company. After disposing off all the productive assets, the company became defunct company and under process of closure. Therefore, the company has changed its accounting policy from "Going Concern" to "Non-going concern" basis and revalued all its remaining landed properties and other assets from the approved valuer. The Value of the landed property, building structure and other assets as per the valuers' report was much higher than the book value as on 31st March 2007. Therefore no provision for diminution in value of these assets was made in the books. Surplus on account of higher valuation of landed and other property is being accounted in the year of actual realization of the surplus and thus carried at their book value.

As per valuer's report, the balance freehold landed properties are valued at Rs.5932 thousands. In respect of leasehold land no separate cost has been estimated in view of the amendment in Rent Control Act, 1999. However, the valuer has estimated residual value for the worker chawls of Rs. 2269 thousand. During the year 2008-09 the company has handed over the possession of ginning factory & Gin Godown to the lessor. These buildings were constructed long back and no separate cost is available in the books.

Since there is no material change in the value of balance assets during the current year, no fresh valuation report has been taken by the management.

The recommendation of BIFR for winding up of the Company is pending for confirmation of Bombay High Court. Further as per the decision taken by the Govt of Maharashtra, MSTC Ltd., the holding company, has relieved all the full time employees of this company under VRS by 30/09/2001. As a result there is no full time company secretary in the employment as required U/s 203 of the companies Act, 2013.

In view of Government decision to wind up the Company and in view of huge accumulated losses, there will be no taxable profits and hence no accounting for taxes on income or deferred tax asset is made in the books.

1 Significant Accounting Policies**1.2 Basis of preparation of Financial Statements**

The financial statements have been prepared and presented under the historical cost convention on the accrual basis of accounting in conformity with the generally accepted accounting principles (GAAP) in India and comply with the all material aspects notified in Accounting Standards (AS) prescribed in the Companies (Accounting Standards) specified under Section 133 of the Companies Act, 2013 ("the 2013 Act"), read with Rule 7 of the Companies (Accounts) Rules, 2014 and relevant provisions of the Companies Act, 2013. The accounting of company is done on 'Non-going concern' basis, as the company has disposed off all its productive assets and currently is a non-operative organization.

1.3 Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that, affect the reported amount of assets and liabilities the disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year-end. Although these estimates are based upon management's best knowledge of current events and actions, actual results may differ from those estimates. Any revisions to accounting estimates are recognised prospectively in current and future periods.

1.4 Tangible Assets and Depreciation

Fixed assets are stated at cost of acquisition less accumulated depreciation. The cost comprises of the purchase price and the attributable cost of bringing the asset to its working condition for intended use. Expenses include Inward freight, duties, taxes and other directly attributable expenses.

Depreciation on fixed assets is provided on the Straight Line Method pro-rata to the period of use. The rates of depreciation prescribed in Schedule III to the Act have been adopted by the Company, which in the view of the management reflects the useful life of the related fixed asset. Depreciation on assets sold during the year is recognised on a pro-rata basis to the profit and loss account till the date of sale.

Capital work-in-progress includes the cost of fixed assets that are not ready for intended use at the Balance Sheet date and advances paid to acquire capital assets before the Balance Sheet date.

The value of the landed property, building structure and other assets as per the valuers' report was much higher than the book value as on 31st March 2007. Therefore no provision for diminution in value of these assets was made in the books.

1.5 Investments

Long-term investments are carried at cost less any other than temporary diminution in value, determined separately for each individual investment.

Profit or loss on sale of investments is determined on the basis of weighted average carrying amount of investments disposed off.

1.6 Revenue Recognition**Product Sales and Service**

Revenue is recognised on when delivery is complete and the property in the goods is transferred or services are rendered to Customers as per the terms of the contract of sale provided deliver is certain.

Interest and Dividend

Interest on Fixed Deposits is recognised on time proportion basis taking into account the amount outstanding and the rate applicable.

1.7 Provisions and Contingencies

Provision is recognised in the Balance Sheet when, the Company has a present obligation as a result of a past event; it is probable that an outflow of economic benefits will be required to settle the present obligation and a reliable estimate of the amount of the obligation can be made.

Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A disclosure by way of a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. There is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.8 Income Taxes

In view of Government decision to wind up the Company and in view of huge accumulated losses, there will be no taxable profits and hence no accounting for taxes on income or deferred tax asset is made in the books.

1.9 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.10 Cash and Cash Equivalents

Cash and cash equivalents comprise of cash at bank and in hand, cheques on hand and remittances in transit.

2.21 Previous Year Comparatives

Previous year's figures have been regrouped or rearranged wherever necessary so as to conform to current year's presentation.

2.22 Pending Litigation :

The acquisition of Plot No. 216 having area of 9175.2 sq. meter owned by The Pratap Spinning, Weaving and Manufacturing Company Ltd., Amalner was approved by Collector, Jalgaon on the requisition of the Social Welfare Department for Prabuddha Backward Class Housing society, Amalner. The Land acquisition was awarded in September 1982. The award fixed by Special Land Acquisition Officer was not justified, as such; Pratap Mill had requested to enhance the award value. The court in July 2004 has decided the case in favour of the Pratap Mill and ordered that The Pratap Mill, Amalner is entitled to the additional compensation of Rs. 101 Thousand, in addition the Solatium @ 15 % on the additional compensation along with interest @ 9 % per annum on the additional compensation and solatium from the date of taking possession of the land till the date of deposit of enhanced compensation in the court. The Court also ordered that the Pratap Mill, Amalner is entitled for interest @ 9% on original award amount of Rs 1,88,000 from date of handing over of possession of land till date of deposit.

The total amount recoverable form Prabuddha Backward Class Housing Society, Amalner as on 31 December 2008 worked out to Rs. 566.66 Thousand. In this regard the collector Jalgaon has directed Tahasildar, Amalner to recover the compensation amount by adopting the procedure for Recovery of Land revenue. Accordingly, Prabuddha Backward Class Housing Society deposited in the court Rs.110 Thousand. Further, for recovery of the balance amount the Tahasildar, Amalner had arranged an auction on 14 July 2009 with an upset amount of Rs. 621 Thousand, however, the auction proceedings could not be completed as the Prabuddha Backward class Housing society has filed a civil suit against the auction sale. The said civil suit was decided in favour of the Pratap Mill in October 2011 (17, Oct.2011). The Prabuddha Backward class Housing society preferred appeal before appropriate court against the said order dated 17th Oct, 2011. Now the court has dismissed the appeal filed by Prabuddha Backward class Housing society on 04/04/2013. The matter is being pursued with Tahasildar, Amalner.

The total amount recoverable from Prabuddha backward Class Housing Society as on 31/03/2018 was worked out to Rs. 572 thousand (P. Y. 571 thousand). Since the Prabuddha Backward class Housing Society has deposited Rs.110 thousand in the court, Rs 462 thousand (Rs. 572 thousand Less Rs.110 thousand) is yet to be recovered.
